Due Thursday 5/11/26	**<u>Half term</u>** Grammar task sheets 8 & 9 Zebra Maths tests 8 & 9	

Zebra Maths – this is a 15-question maths review. Please have a go at the questions – if you are REALLY stuck, circle the question number. We will go through each question together every week. The questions build upon each other so keep all of the previous tests in your folder to remind yourself of the methods.

ICT Games – use the QR code login slip – to practise your spelling words from the previous week in a game format on your computer / tablet at home.

Grammar task sheets – complete the 6 tasks on the sheet.
