Thursday 22/10/26	Spelling - ICT GAMES Weekly SPAG check Week 6	Croc Maths Review Test 7 Practise 12x tables
Due Friday 6/11/26	**<u>Half term</u>** Spelling - ICT GAMES / Weekly SPAG check – week 7 Croc Maths Review Test 8	

Croc Maths – this is a 15-question maths review. Please have a go at the questions – if you are REALLY stuck, circle the question number. We will go through each question together every week. The questions build upon each other so keep all of the previous tests in your folder to remind yourself of the methods.

ICT Games – use the QR code login slip – to practise your spelling words from the previous week in a game format on your computer / tablet at home.

Weekly Spag Check – complete all questions – if you are stuck, do some online research, these are all terms you will **need** to know for your Y6 Spag Test.
